

CAPABILITY STATEMENT

Our approach to Disaster Relief and Emergency Response focuses on an elevated quality of life for Survivors and Responders alike. We are sensitive and committed to preventing the re-victimization of Survivors and the revitalization of Responders. Through our alliances and strategic partnerships, we are positioned to be the ultimate "One Stop Shop" unique to the industry. CUSTOM TOUCH LOGISTICS has united our sister manufacturing company, CUSTOM TOUCH HOMES, and our services division, CUSTOM TOUCH VILLAGE, along with our strategic partners to bring together the best of the best in the industry, all available with One Call to CUSTOM TOUCH LOGISTICS.

THE CUSTOM TOUCH DIFFERENCE

- ❖ PURPOSE- Our purpose is to provide an elevated experience to those we serve. Preventing re-victimization of those whose emotional, physical, and financial lives have already been devastated.
- ❖ KEY PARTNERSHIPS- Every company has their area of expertise, but very few, if any, are superior at all. We admit this and embrace it. We bring the best of the best together to serve your needs. When you need us, where you need us, and how you need us.
